

# IS THE 150-HOUR IDELT *Online* COURSE RIGHT FOR ME?

I would like to earn the **most advanced online TEFL/TESOL certification** available.

I would like the option to earn graduate-level **college credit** for my TEFL/TESOL course.

I prefer to take my course as part of an **international group of trainees**, rather than individually.

I would like to take a course taught by a **master's level instructor** who can guide me and answer my questions.

I would like a **structured, 12-week course** schedule with weekly due dates for assignments.

I would like **personalized job placement** assistance such as access to a Jobs Advisor & lifetime access to the Bridge Job Board.

I am a native English speaker or have advanced to native-like proficiency in English (**C1 level or higher** on the CEFR scale).

I may want to take this course as a pathway to a **master's degree in TESOL**.
